United States of America VS. Sami Amin Al-Arian, et al.	Case No. 8:03-CR-77-T-30-TBM

Defendant Sami Amin Al-Arian's Pro Se Motion Concerning the Ability to Supplement the Motion on Bill of Particulars, Motion to Dismiss the Indictment and Jury Questionnaire

Comes now the Defendant Sami Amin Al-Arian, in a pro se capacity and moves the Honorable Court to allow him to supplement his motions on: 1) bill of particulars, 2) to dismiss indictment, and 3) jury questionnaire.

The defendant has petitioned the Honorable Court on September 1, 2003, for a ten-day extention. Having not been informed of the Court's decision as of September 4, 2003, the defendant has filed the motions on September 5, 2003 deadline. However, the defendant anticipates that he would improve on these motions and hence, requests the court to allow him to supplement the motions on or before September 15, 2003, as previously requested.

SCANNED

Wherefore, the defendant requests the ability to supplement the motion on the bill of particulars, the motion to dismiss the indictment, and the jury questionnaire until September 15, 2003.

Respectfully Submitted
