VS.

Case No. 8:03-CR-77-T-30-TBM

Sami Amin Al-Arian, et al.

Defendant Sami Amin Al-Arian's Pro Se
Addendum to an Earlier Motion Regarding
Missing Audio Tapes

Comes now the defendant, Sami Amin Al-Arian, in
Pro Se, and moves this Honorable Court to require
the government to produce one other audio tape
that is missing from the set delivered at Coleman.

Specifically the defendant requests that the audio
tape for overt act 157 be immediately made available.

Tape number 4406143 which has the same date
as overt act 157 does not seem to fit overt act 157.

Therefore, the defendant moves this Honorable
Court to immediately grant the above request.

Respectfully Submitted
