ADMINISTRATIVE ORDER

This matter comes to the Court at the request of Barry Latzer of the Department of Government at the John Jay College of Criminal Justice that an Administrative Order be entered allowing the Department of Government at the John Jay College of Criminal Justice access without charge to the docket of the Court through the Public Access to Court Electronic Records (PACER) system through September 1, 2006.

After consideration of good cause shown, and finding that access, without charge, to this Court's docket, pleadings, and orders through the PACER system will promote access and avoid unreasonable burdens on the Department of Government at the John Jay College of Criminal Justice and the public, it is,
