JL: Ah, you mentioned, um, he.., the last several months, ah, when we first sat down, the last several months...

N : Right.

JL: ...he um, you noticed a change in him.

N : Hmph hmph.

JL: Would anybody else have noticed that? Who else could we speak to who.., who would have ah.., well, you know, back home or anywhere who.., who would have noticed?

N : Best person that would know about all this is his wife in my opinion.

KD: This...

N : His wife, maybe his family.

KD: The first wife or second wife?

N : No, no, second wife.

KD: Second wife.

N : He had no contact with Satora after.., after she left.

KD: Okay. And she left him?

; Yeah.

KD: Okay.

N : Yep.

JL: Did he mention anyone else he was close to besides his wife..., besides his current wife?

N : (Sighs). He told his family... He used to make excuses to his family. This is what I found very funny. Um, he used to... I think I would be the next one. He used to make the excuse to his family I'm gonna go a certain place or to his wife, I'm going to a certain place and I'm gonna go see [REDACTED] but in fact, he went somewhere else and this is a recent thing that my mom told me that um.., last Friday his mom said that ah.., oh, Omar's gonna go visit.., this is Omar's mom

speaking to my mom at the.., at a mo.., at a mosque event..., like a sponsored dinner...

JL: Okay.

N : ...and everything.

KD: Okay.

N : Um, saying that oh yeah, Omar's gonna go visit, ah, went to go visit [REDACTED] in ah, Orlando and my mom's like well he's not in Orlando. He's in Mar.., he's in [REDACTED] (Slight laugh in voice). So I mean she just stayed quiet after that. Like, you know, that's what my mom told me.

KD: Really?

N : Yeah. So he would make excuses of coming to visit me but he ended up going to other places. You know what I'm saying?

KD: Okay. Um..,

N : So...

KD: ...what...

N : ...and this is a statement he made to me also like because he had.., he had a.., a bad habit of (sniffs)..., he was married.., but he went "behind his w.., wife's back" and ah...

KD: Hmph hmph.

N : ...did a lot of stuff "on the side," you know, I mean whatever websites..., "Plenty of Fish" over whoever was like, um, Arab Lounge. He even mentioned "Craig's List" one time to me.

KD: Hmph hmph.

N : Um..., "hooking up" with women.., "hooking up" with older women..., um...

KD: And you're sayin' you think..., so he would tell...

N : His wife that he was visiting...

KD: Going you.., going with you...

N : He told me that.

KD: ...but he's going to "hook up" with chicks.

N : Yeah.

KD: Okay.

█ ; Yeah.

KD: Okay.

N : This is according to him.

KD: Sure. And when ya'll talk., when you and ah., Omar would communicate.,

N : Hmph hmph.

KD: ...was this all over regular phone, text.,

N : Phone.

KD: ...social media...

█ ; Phone. Phone-based. Mostly phone.

KD: Just regular talkin' on the phone.

N : Yeah, we didn't text that much.
