Case called. Counsel appearances.

The Court discusses the Unopposed Motion for Extension of Time to Disclose the Expert Report for Joshua Horowitz (Doc. 66) with the parties. The defense advises that the August 1st deadline could be met as to all other experts except for Mr. Horowitz. The motion is GRANTED for the reasons stated on the record.

After approval of funding for the expert by the 11th Circuit, the Court directs the defense to file a status report under seal every 30 days as to where the expert is in his examination and what he has done. Daubert motions as to this expert will be taken up after a final report has been filed. The final report shall be filed no more than 60 days after funding has been approved.

Court is adjourned.
