**ORDER**

Based on the direction of the Honorable Paul G. Byron at a hearing held today, it is **ORDERED** as follows:

1) On or before July 26, 2017, counsel for the parties shall speak to each other in a good faith effort to resolve whether the defense objects to permitting the United States to have its proposed expert psychiatrist or psychologist examine Defendant before the expert witness disclosure date and the proposed limitations of such examination;

2) If the parties cannot reach agreement on this issue, then, on or before July 31, 2017, counsel for Defendant shall file a motion stating their position on this issue supported by legal authority. Because this issue was discussed in open Court, it is anticipated that this motion will not be filed under seal. Counsel shall be prepared for the Court to schedule a hearing, if one is required, on short notice if a motion is filed.

**DONE and ORDERED** in Orlando, Florida on July 24, 2017.
