

Membership in the Court's Bar

Local Rule 2.01 governs membership in the court's bar. Membership or special admission in the Middle District bar is necessary to practice in the Middle District. Neither membership nor special admission is required for a lawyer employed by the United States or a public entity established by federal law to practice within the course and the scope of the lawyer's employment.

To petition for membership in the court's bar, complete the steps below:

Step One: Submit the Attorney Admissions and E-File Registration

The **Attorney Admissions and E-File Registration** is submitted through PACER. Login to your individual PACER Account or register for an Attorney Filer PACER Account to submit your application.

To complete the application, you will need your Florida Bar Number, state of residence, business address, undergraduate and legal education graduation dates, and a list of jurisdictions in which the applicant is admitted including admissions dates.

Go to the [PACER website](#) to submit your **Attorney Admissions and E-File Registration**. Click [here](#) for detailed instructions.

Step Two: Pay \$203 Attorney Admissions Fee

After the court reviews your **Attorney Admissions and E-File Registration**, you will receive an email welcoming you to the Middle District of Florida pending payment of the \$203 fee. You will not be able to pay in advance of receiving this e-mail.

To pay the fee, click [here](#) to login to the **Middle District of Florida - Document Filing System**. Once logged in, select the **Bar Admission** hyperlink from the **Utilities** menu. After the court reviews and verifies payment, your e-filing account will be activated. It may take up to three business days for your e-filing privileges to be activated. Click [here](#) for detailed instructions.

Please note: If you need to file electronically in the [U.S. Bankruptcy Court for the Middle District of Florida](#), you must submit an e-file request separately. Visit the U.S. Bankruptcy Court's website for more information.
