

You've been summoned for jury service. Now what?

- The first step in your jury service is to complete the Jury Information Form through eJuror (www.flmd.uscourts.gov/ejuror) or mail the paper Jury Information Form on the lower half of your summons.
- You have been summoned for jury service, but you do not currently have a reporting date. Instead, you are "on call" for the jury trial term listed on your summons. So, before coming to the courthouse, it is important that you confirm that your attendance is required by checking eJuror or calling (866) 313-2350 for reporting instructions as directed on your summons.
- If you are scheduled to report to the courthouse, the reporting instructions on eJuror and the jury phone line will state a time and date to appear. If you are not scheduled to report, the reporting instructions will state your next call-in date. When checking for reporting instructions, you will need your Participant Number from the summons. The court will also send reminder messages by phone, text, and/or email about your reporting date, but please do not rely solely on this communication.

Need to request an excuse or postponement?

- For information about requesting an excuse or a postponement of your jury service, see the instructions and form on the back of your summons.

What to expect on your first day of jury service.

- You may bring a cell phone inside the courthouse, but you will be required to store it in a locker. You will not be permitted to bring your phone into a courtroom. Cameras, laptops, iPads, smart watches, and other electronics are not allowed in the courthouse.

■ **Bring your license or other photo ID with you.** You must show a valid photo ID at the security entrance.

- After going through security, you will be directed to the jury assembly room where you will be greeted by a staffer, fill out forms, watch an orientation video, and take an oath.

■ From the jury assembly room, you will be directed to a courtroom for jury selection. Depending on the case, jury selection can last anywhere from one hour to the whole day. At the end of jury selection, you will find out whether you have been selected to serve on the jury.

- **Compensation.** Summoned jurors are generally paid an attendance fee of \$50/day and round-trip mileage at the current government rate. Jurors are also reimbursed for tolls.

- **Food.** The courthouse does not have a cafeteria. A snack machine, water dispenser, refrigerator, and microwave are available for jurors to use. Several restaurants are within walking distance of the courthouse.
- **Employment protection.** Under federal law, an employer must allow time off for jury service. An employee cannot be punished for serving as a juror. But an employer has discretion to determine whether absence for jury service is with or without pay.
