ORDER ALLOWING THE REFUND OF DUPLICATE PAYMENTS

With the advent of electronic filing and electronic payment of fees and expenses, errors frequently result in duplicate payments that must be refunded. As a result, the Clerk of Court, or the Clerk of Court's designee, is authorized to refund an erroneous electronic payment if it is discovered and verified by the Court or the Clerk's Office that an erroneous fee has been paid. Upon verification of the error, the refund shall be processed back to the same credit card from which the duplicate payment was made.
