

US District Court – Middle District of Florida
Office of Information Technology
Statement of Work (SOW)

Project Title	OCA Courtroom 1A Audio/Video Hardware Refresh
Project Type	Request for Audio, Video and/or Control Hardware
Date	August 4, 2026

Introduction

The United States District Court for the Middle District of Florida (MDFL) comprises five divisional offices in Orlando, Tampa, Jacksonville, Fort Myers, and Ocala. The Clerk's Office is headquartered in the Orlando division.

The MDFL Office of Information Technology (OIT) is managing an internal cyclical upgrade of audio, video, and control systems in **ONE** district courtroom located in the **Ocala** division and is seeking a vendor, distributor, and/or integrator to procure the necessary hardware to carry out its intended upgrade project.

Scope

The court seeks specific pricing for items outlined in the attached "**Bid Sheet.**" All equipment included in the bid sheet should be fully sealed, in brand-new condition, and come with the standard manufacturer's warranty. All items should match the described product specification and model number. Any product substitution(s) must be implicitly approved by the project Contracting Officer Technical Representative (COTR) and signed off on by the Contracting Officer (CO).

This procurement is for hardware/equipment only. The MDFL OIT will conduct all installation, integration, and equipment support services. This bid specification is strictly for the procurement of the hardware items as listed on the bid sheet.
