Office of Information Technology  
Statement of Work (SOW)**

<b>Project Title</b>	JAX Courtroom 12A Audio/Video Systems Upgrade
<b>Project Type</b>	Request for Audio, Video and/or Control Hardware
<b>Date</b>	May 11, 2026

### Introduction

The United States District Court for the Middle District of Florida (MDFL) comprises five divisional offices in Orlando, Tampa, Jacksonville, Fort Myers, and Ocala. The Clerk's Office is headquartered in the Orlando division.

The MDFL Office of Information Technology (OIT) is managing an internal cyclical upgrade of audio, video, and control systems in **ONE** district courtroom located in the **Jacksonville** division and is seeking a vendor, distributor, and/or integrator to procure the necessary hardware to carry out its intended upgrade project.

### Scope

The court seeks specific pricing for items outlined in the attached "**Bid Sheet.**" All equipment included in the bid sheet should be fully sealed, in brand-new condition, and come with the standard manufacturer's warranty. All items should match the described product specification and model number. Any product substitution(s) must be implicitly approved by the project Contracting Officer Technical Representative (COTR) and signed off on by the Contracting Officer (CO).

**This procurement is for hardware/equipment only.** The MDFL OIT will conduct all installation, integration, and equipment support services. This bid specification is strictly for the procurement of the hardware items as listed on the bid sheet.

## **Pricing**

The Court would like the ability to procure all items as a single "package" and then exercise the ability to procure multiple "packages" as budget dictates. The court also reserves the right to exclude specific items from the final bid package. The pricing request should be broken out per line item with a total provided.

## **Schedule for Performance and Delivery/Milestone Schedules**

Upon award of the contract, the contractor will ship items to the Tampa courthouse location. USDC, 801 N. Florida Ave, Tampa FL 33602. The contractor shall immediately notify the COTR of any schedule changes or conflicts.

## **Award**

All quotes received will be reviewed to ensure all the specifications listed in the Statement of Work are met, to determine the vendor with the lowest total cost, including delivery and installation. Due to cost ceilings and funding restrictions, the court reserves the right to issue a purchase order awarding all, some, or none of the items, to the low-cost, technically acceptable offeror. By Federal Law, the U.S. District Court pays for all services, furniture, automation items, and equipment charges in arrears.

It is anticipated that the award of this RFQ will be made within 5 business days after proposals are received. The court will notify each vendor if more time is needed to evaluate the proposals. The award is contingent upon available funding. The court will provide a copy of its tax exemption certificate to the awarded vendor. The awarded vendor will be required to register with SAM.gov or complete the court's AO213 form before the purchase order will be issued. If applicable. Once a purchase order has been accepted by the company by either signing the purchase order or delivering/installing the furniture, this RFQ will become the basis for the contract. All terms and conditions listed in this RFQ will remain in effect for the life of all equipment in addition to the terms and conditions listed in Attachment 1.

The company that is selected for this award must abide by all the terms and conditions listed in Attachment 1.

## **Payments**

Payment will be made after receipt of the invoice and all items specified. All invoices should be forwarded, preferably, by email to the Contracting Officer.
