The U.S. District Court, Middle District of Florida, is requesting **Open Market Pricing** for the 12th Floor 12A Magistrate Courtroom Lighting Project in Tampa, Florida. This request will be competitively bid upon by several vendors.

Email your quote no later than the date and time specified above. Late quotes will not be considered unless the judiciary determines, at its own discretion, that considering the late quote is in the judiciary's best interest and will not unduly delay the procurement.

This request does not commit the government to pay any costs incurred in preparing your offer for submission or to contract for supplies or services should none of the vendors meet the necessary specifications.
